

# *A Global Call to Caring Science:*

## *Theory Guided Practice, Education, and Research*

This **free** event is a collaboration between Florida Atlantic University and the International Association for Human Caring (IAHC). IAHC promotes the educational preparation of caring professionals and illuminates the nature of caring research and practice from a global perspective. The U.S. Department of Veterans Affairs will provide 1.5 hours CEU for attendance.

**April 9, from 10 to 11:30 a.m. EST.**

Join in person in **Room 201** or via Zoom.
